## Installation of New Pastor

The September 29<sup>th</sup> service at Faith Community Church will feature the formal installation of Andrew Edmonds as lead pastor. Phil Assink will administer the ceremony and it will be attended by other Classis administrators. The non-traditional service should provide an outlook to the workings of the RCA as well as information regarding the vision of Faith Church.

Please mark your calendars to welcome Pastor Andrew and help set him into this new position. The ceremony will usher in a new time of stewardship for our church and for God's kingdom, and all are encouraged to attend.

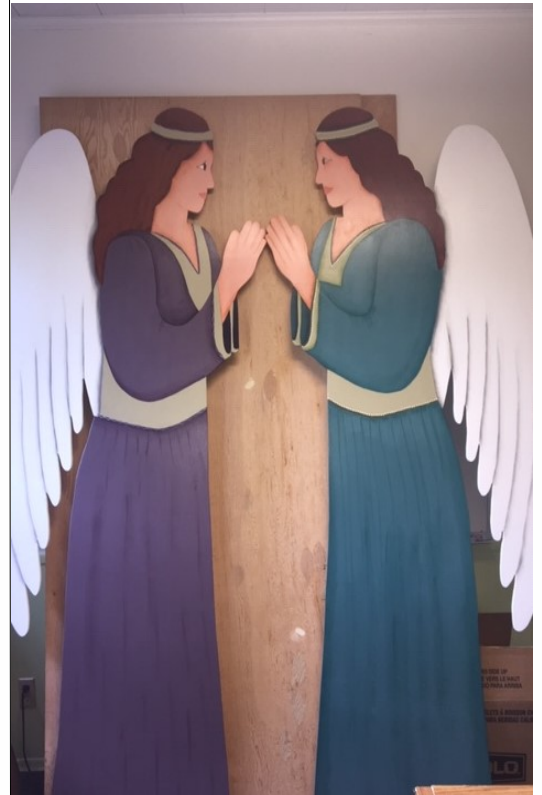

## Back to School Kick-off & BBQ

Everyone is invited to join us on September 8th, after the service, for a fun soccer game and barbecue at Hickman Park. Youth and kids will face off against the adults once again in our annual soccer match. Anyone not playing is invited to watch and hang out. Following the game, we'll enjoy at barbecue. Hot dogs provided. We just ask that you bring some kind of side or dessert to share. We hope to see out whole church family there.

## Nativity Angels

Thank you to all who help out and were proactive in getting the Angels ready for this coming Christmas. They are beautiful!
